

Volunteer Driver Information Form – 2011-12

Thank you for volunteering your time. Our goal is to make our field trips a successful and exciting educational experience for the children.

Please complete the following information for our insurance purposes and for your own protection. The information will be kept on file for the duration of the school year. Please inform us of any changes as soon as possible.

Driver

Name: _____

Driver and vehicle are insured in compliance with State of Maine's required liability limits.

Yes No

Please adhere to the following guidelines when driving children on a field trip:

- **All children under 40 lbs. are required to have a car seat, regardless of their age.**
- **All children under 80 lbs. are required to have a booster seat.**
- If a child is under 4'9" tall, it is highly recommended that they ride in a booster seat, regardless of age or weight.
- All children less than 12 years of age and less than 100 lbs. are required to ride in the rear seat of a vehicle.
- No child shall be placed in the front seat of a vehicle with an air bag.
- The vehicle must have adequate seat belts for each child.
- Drivers must drive directly to and from the field trip with no stops in between.
- Siblings of field trip participants are usually not allowed to attend field trips (exceptions can sometimes be made at the teacher's discretion).
- Drivers should refrain from using cell phones while transporting children except in an emergency.
