

**Kennebec Montessori School
Parent Participation Form 2011-2012**

KMS asks each family to contribute 20 hours of volunteer time during the year, as part of their commitment to the school. The goals of the parent participation program are to foster a sense of community within our school and to keep tuition affordable for as many families as possible. With the help of all our parents, this program continues to be a great success and rewarding for our families as well as the school.

Please take a few moments to indicate your areas of interest and **return this form to the school by Friday, March 18.** It is essential that we receive a completed form from every family. Please initial to indicate which family member can help. Thank you for your participation in this program.
